

Debatable Me

YOUR SAFE SPACE WHERE YOU CAN
LEARN MORE ABOUT YOURSELF AND
THE PEOPLE AROUND YOU!

18-29 january 2023
Bagaciu - ROMANIA

About the project

We look forward to meeting you on the youth exchange "Debatable me".

The main purpose is to create an international non-formal context between 18–19 January in Bagaciu, Romania in which young people from Romania, Lithuania, Hungary, Greece and Spain, share opinions, thoughts, and experiences, get to know each other, and collaborate to explore social issues and discuss sensitive topics in an open and safe environment, through debate.

Mission

- The project aims towards gathering youths who don't engage in sensitive social issues. Therefore, by bonding relationships and ideas, youngsters will have a better chance at developing skills and understand the world they live in, raising awareness in multiple areas- interculturality, discrimination (racial, religious, gender, etc.), politics.

Importance

- The participants get to present their countries and view other countries' cultures and perspectives, in order to increase inclusivity and diversity and to bridge interculturality by having debates which can widen solutions and lenses of the world.

Objectives

- Social issues are talked through social media, though sometimes not enough or they are not reachable by everyone.
- We want to offer young people from all backgrounds the opportunity not to just hear about these issues and be aware of their existence and importance, but also to talk about them and increase their critical thinking and arguments in order to give them a sense of justice.
- We want to make sure they know they can make a difference and they have the power to fight for their rights and for a better world.

Accommodation

- The youth exchange will take place in Bagaciu, a small town in Transylvania around 33 kilometers from Targu Mures. It is surrounded by the lovely Transylvanian plain and offers a stunning view of nature.
- We will stay at the "Sachsenhof" facility, where the accommodation conditions are suited to our needs and the pension is located in the heart of the village, away from the crowded areas, with the pure air of the nearby forest

- The guesthouse is split into two buildings, the front part represents an old Saxon residence and the second structure with 8 rooms designed in a rustic style with hand-painted furniture was built. Accommodation will be arranged in rooms for 2/4 persons per gender.
- Every day, breakfast, lunch, and dinner will be provided at the same place, as well as coffee breaks. There is a bathroom in each room. Please bring your own towels since the accommodation does not supply them.
